Profile Picture & Questionnaire:

Please use your own name and own picture. In order for your membership to be approved, your profile must contain a close portrait of yourself.

Your profile photo and profile questionnaire help Event Organizers and other members connect with you. Posting a photo allows us to recognize you when you attend an event, and the information you provide helps people start conversations with you.

Active Group Members:

There are two ways to stay active in the group.

1. Attend Meetup events.
2. Complete virtual **#ProjectGlowUp** sessions, participate in monthly challenges, complete surveys, respond to emails, and/or post messages in the discussion board.

RSVP to Attend Meetups:

Why RSVP? This lets the Organizer, Event Organizer and other group members know whether or not to expect you, as well as gauge interest in future events.

What do RSVPs mean?

[Yes:] I plan to be there. You can count on me to attend. I look forward to it.

[No:] I am sorry but I am unable to attend this event.

Comments:

Please feel free to include comments in your RSVP such as the following -

- * I'd love to attend but have other plans.
- * I can't make it. Looking forward to attending the next one.
- * Awesome event, but it's too far for me to travel.

Changing RSVPS:

If you need to cancel, even if it's at the last minute, you must change your RSVP to the Meetup event you were planning to attend.

No Shows - 3 Strike Policy:

A NO SHOW is defined as someone who RSVPs for an event and does not show up, and also does not change the RSVP to NO.

Often Event Organizers wait for all the RSVP'ed member arrivals. To stop unnecessary delays, update your RSVP if you can no longer attend an event. Anyone with a consistent pattern of no-show will be removed from the group, at the discretion of the Organizers. As a rule of thumb, if you are a NO SHOW 3 times we will remove you from the group.

You will not be allowed to rejoin the group for another 3 months.

If your schedule changes and you can no longer attend a meetup event, update your RSVP.

Last Minute Cancellations & Habitual Late Cancellations:

Life happens. Sometimes you have to cancel at the last minute. We get that. In the event that you have to cancel at the last minute (within 24 hours of the event) try to notify the event host in the event comments or via message. Repeated late cancellations will affect your ability to attend future limited events.

Dues:

The cost to join the Meetup group is only \$12 a year. You will enter a trial for 60 days which will allow you to check out the group for free. Pay dues before the trial is up to become a member. If after the 60 days you have not paid, Meetup will automatically remove you from the group. You may rejoin after payment.

Photographs:

Please take photos and post them on the Meetup site and your social networks. Be sure to hashtag #ProjectGlow or #DiamondsBloom and tag @diamondsbloom.

Any photo posted on the Meetup site can be used for promotional reasons in the Project Glow Up FB group or DiamondsBlooms social platform. If there is a photo of you on our Meetup site that you do not want to reposted on other platforms, please email us and we will kindly remove it.
